

# CHILDREN & YOUTH WORKSHOPS

## NOVEMBER

### 5 Ride the Wave of Awareness: Tsunami Day Fun

**11 am Grades 3-5** November 5th is World Tsunami Awareness Day! Join us for an interactive workshop where children will discover what tsunamis are, learn about their causes, and explore important safety measures to take in the event of a tsunami. [REGISTER HERE](#)

**\$15/20**

### 5 and 11 Demystifying Math for Parents

**11:00 am Parents** This class is the introduction to a series of math support for parents. We will have parent Q&A for the areas that their students are working on in addition to small lesson support. Please bring your child's assignments. [REGISTER HERE](#)

**\$30/35**

### 6 Weaving a Thanksgiving Placemat

**10 am 5+** Let's work on our fine motor skills to weave a paper Thanksgiving placemat to be decorated with fall accents. Students will practice working paper over and under with a fall-inspired palette of colors and accent pieces to adorn their Thanksgiving tables. [REGISTER HERE](#)
